02/036 Wakefield MDC District Councillors Report

District Councillors Cummings gave an update on matters discussed at previous meetings in particular;

Problems arising as a result of the building work being carried out on 91 High Street had been reported to WMDC Building Control for them to deal with.

The removal of the bin from Smithy Close would not be replaced as it was considered that there was sufficient provision nearby.

A request for proof that rubbish was still being thrown into the ditch to the rear of Thorntree Avenue, was required for action to be taken.

With regard to the pot holes previously reported (see minute 01/020), these would be dealt with via the District re surfacing programme during 2020/21, which included a number of areas of Crofton. Cllr Stennett commented that the pothole near Spring Green Nurseries required immediate attention.

Cllr Cummings was also informed about the exposed screws outside the Funeral Directors on Manorfields Court.

In response to the report about slippery footpath surfaces due to moss, Cllr Cummings requested the exact location to enable her to report it.

It had been noted that the land off Shay Lane opposite the entrance to the Sidings (known as Crofton Triangle), was being used by off road vehicles.

Due to the recent stormy weather, a number of branches had fallen on to the path that joins Priory Ridge to Meadowfields Close & Springhill Avenue, causing an obstruction. Cllr Robinson would provide the evidence for Cllr Cummings to report it. It was thought that following the removal of boulders near the fields at Middle Lane, that a gate would be placed there, the lack of one was now providing access to off road bikers.

A request was made to Cllr Cummings for action to be taken to a number of gully's , to ensure they worked efficiently, in particular on Shay Lane near the entrance to the Sidings and by the Coppers Lake on Doncaster Road. Cllr Kimbley commented that the increased water level in the ditch by the entrance to the Sidings, was in danger of flowing onto Shay Lane.

Cllr Cummings was thanked by Cllr Barnsley for the good work that she had undertaken on behalf of the village.

Members were informed that the next Fun Day would be on the 20 August.
